Policy Against Child Labour and Young Workers

- We at Hetero do not engage any child labourer/young worker, who is less than 18 years of age in our organizations for any activities.
- Child labourers are neither engaged nor supported.
- All interested parties of Hetero are communicated on the requirements of policy against child labour through trainings and other communication channels.
- Establish the process necessary to deliver the results in accordance with the requirements and implement the process to ensure non-engagement of child labour.
- Remediation measures and support is given in case any child labourer/young worker is found.
- Expects our business partners and associates to have and uphold similar standards and abide by country-governing laws in countries wherein they operate. If violation of these principles become known to Hetero and not remediated, Hetero will take serious action, including discontinuation of business relationship.
