

Inspiring
Human Belief in
a Healthier World

Hetero Reimagined: Where Going Beyond is **The New Normal**

Our new logo is built around the idea of 'Health for All' and strengthens our ideology of 'focused interventions leading to exponential impact'. It uses circles as the primary visual anchor to represent the idea of accessibility and global reach.

About Us

With unparalleled strengths in pharmaceutical research, manufacturing, and marketing, we are positioned to serve people regardless of geographies. Our new identity embodies this drive to expand our reach and capabilities in order to respond with agility to the world's evolving health needs.

Our Approach

We prioritize the human perspective above all else. Hetero lives in the stories of the people we serve and the communities we have impacted.

Quick Facts

We are the world's leading producers of Active Pharmaceutical Ingredients (APIs) and generic formulations, with an active presence across **145+ countries**.

With **30 years of experience** in the pharma sector, we strive to serve patients by moulding science and technology into therapies to improve people's lives.

We cater to **40%** of existing global demand for Anti-Retroviral (ARV) and Finished Dosage Forms (FDF), used for HIV/AIDS treatment.

We are the **trusted partner** of choice for multinational pharma giants and global procurement bodies.

We have over **36 strategically located** manufacturing facilities, catering to diverse market requirements on demand – including India, USA, China, Russia, Egypt, Mexico, Indonesia and Saudi Arabia.

At Hetero, We Are Shaping A Healthier World

Track Record of Responding to Global Emergencies

Racing the clock to deliver safe and effective COVID-19 treatment.

- The first company to launch the licensed generic version of **Remdesivir** in India, under the brand name **Covifor™**.
- Only company to market generic Remdesivir in two formulations – liquid solution and lyophilised powder.
- Largest in terms of global reach touching lives of over 1.5 million people across continents.

Launched Movfor (**Molnupiravir 200 mg**) to treat high-risk adult patients with COVID-19 following a voluntary licensing agreement with MSD for the manufacturing and distribution of the investigational oral therapeutic.

Entered into a voluntary licensing agreement with MPP to expand access of **Nirmatrelvir & Ritonavir generics** for COVID-19 treatment in 95 countries.

Manufacturing Partnership for 'Sputnik V' vaccine

Entered into an agreement with the Russian Direct Investment Fund (RDIF) as a manufacturing partner to produce 100 million doses of the Sputnik V vaccine per year.

At Hetero

The focus is always on uncovering life-changing solutions

3 World-class R&D centres dedicated for development of APIs, FDFs and Biosimilars

1 lead molecule each in Oncology and HIV in phase I/II clinical development

Formulation patents

201 patents filed

21 patents granted

API patents

809 patents filed

183 patents granted

Our Marketing arms

HELPING US
ACCESS VARIOUS
GEOGRAPHIES.

For everyone, everywhere...

We are leaving our footprints across the globe in more than **145+ countries**, as we enable access to affordable high-quality medicines across the world.
