Advancing frontiers of **Global Access**

Since 1997, Hetero has been at the forefront of affordable ARV production, with 30+ combinations treating nearly 40% of the world's HIV/AIDS patients.

- **ARV Therapies**

- Introduced first-line and second-line antiretroviral regimens, and protease inhibitors for treating and preventing HIV infection
- Geared up to introduce long-acting antiretroviral products with the potential to transform HIV prevention and treatment approaches

- **Expanding Access to Hepatitis Treatments**

Among the first to introduce life-saving hepatitis drugs through strategic global licensing agreements.

- **Global Reach and Impact**

Our products are trusted in 120+ countries, backed by 2,000+ product registrations and a strong portfolio of 30+ ARV drugs.

Committed to Our Communities

Healthcare Access:

Mobile medical vans, vision care, nutrition support and medical equipment donations

Community Health:

Safe drinking water, sanitation facility in schools and hygiene awareness

Education & Youth:

School infrastructure, learning resources, technological support and teacher - student engagement

Sustainable Growth:

Roads, streetlights & CCTV Installations and mobility aids for differently-abled individuals

Our Aspirations:

- Future-ready healthcare systems
- Empower the next generation with education & resources
- Sustainable practices to protect the planet

#HealthForAll A Promise to Every Community

Purpose meets compassion

Inspired by **Dr. Bandi Parthasaradhi Reddy's** (Chairman - Hetero Group of companies) philanthropic vision, Sindhu Hospitals extends Hetero's 30+ year legacy of innovative and compassionate healthcare. With main focus on oncology and supported by world-renowned specialists, the hospital combines cutting-edge technology with personalized care, redefining the treatment of critical illnesses and elevating healthcare standards.

As part of **Hetero's Corporate Social Responsibility (CSR) commitment**, Sindhu Hospitals, a not-for-profit yet premium healthcare facility, is dedicated to providing world-class healthcare to underserved communities, ensuring that both life-saving medicines and health are accessible to all, regardless of socioeconomic status.
